This is the Treatment Alternatives Exhibit from Readings along with the cover letter (other exhibits not included) from a 5/6/2011 submission. Not sure if this was the final one.

Lisa – is this what you need for Bristol? Was this the final? If this is appropriate we should check in with Peg to make sure no confidential expectations.

Hey Chris,

Do you have a copy of this document from either Reading or Scranton that we might share with Bristol? They are not doing what they're supposed to be doing and we need to give them a little help.

Thanking you in advance,

PI

Were you guys able to obtain a copy of the Evaluation of Treatment Alternatives plan from Reading or any other cases? I recall that we wanted to provide Bristol with an example or two, and I think you guys were going to poke around to find one.
